UT343H (NA)

PICTURE QUALITY

4K Resolution

UHD is the future of digital pictures, delivering a higher resolution four times than that of Full HD. The stunning 8.3 million pixels offers a flawless picture quality and incredibly vivid detail.

4K Upscaler

Enjoy Full HD content in 4K UHD quality. The 4K Upscaler automatically upgrades Full HD content to UHD through a simple six-step upscaling processes.

Essential Commercial TV with 4K Active HDR

UT343H (NA)

HOSPITALITY FEATURE

Public Display Mode

From channel selection to volume level, you can control the TV settings in business areas. Public Display Mode also enables you to restore default settings, as required, on the TVs.

Commercial Swivel Stand

The UT343H commercial grade stand swivels to allow guests to view the TV from virtually any angle and can easily be fastened to a tabletop for security purposes.

IR Pass Through and Control

Connect an LG Commercial STB to the RS-232C port on the TV to create a system that provides Pro:Centric functionality, as well as RF or IP content.

Essential Commercial TV with 4K Active HDR

UT343H (NA)

HOSPITALITY FEATURE

Multi IR

Multi-code IR function eliminates any remote control signal interference between TVs in rooms with multiple TVs installed.

Welcome Screen

Display a warm greeting message with your hotel name and logo on the TV when it is turned on. The welcome screen provides an inviting, personalized experience for your guests.

External Speaker Out

Enhance the entertainment experience with an additional speaker (sold separately). Guests can listen to the TV audio from other rooms within their suite, not only the room where the TV is located.

Essential Commercial TV with 4K Active HDR

UT343H (NA)

HOSPITALITY FEATURE

USB Data Cloning

USB data cloning makes managing multiple displays more efficient for optimal operation. No need to set up each display one by one, data can be copied to a USB in one display, data will be distributed to other displays through a USB plug-in.

Lock Mode

Lock Mode blocks external input signals with non-compliant content. This is a useful feature for preventing misuse of TVs in public spaces.

DIMENSION (unit: mm)

CONNECTIVITY

55" / 50" / 43"

* Dimensions & Jack Panels (Read/Side) may differ from the above image, so please contact LG sales team to verify before ordering.
